FULL BIOGRAPHY

For approximately a decade, Wilfrid has helped organizations understand complex problems, align stakeholders, and move ideas toward practical execution. His experience spans banking, mortgage, retail, cybersecurity, and enterprise transformation, where he translates complexity into clear processes and sustainable solutions.

Beyond corporate work, he builds platforms that equip people for growth and meaningful impact. He co-founded SkillDev Academy, convenes The Becoming Global Summit, leads The Royals young-adults community, and supported the City of Kitchener's 2027-2030 strategic planning process as a Community Conversation Host.

LEADERSHIP & COMMUNITY INITIATIVES
